SALE OF LIVESTOCK – TERMS AND CONDITIONS

(Inc sent via third party Courier and show collection)

When purchasing an animal from Crystal Palace Reptiles you agree to the terms and conditions of sale.

Full and correct set ups must be in place before collection of the animal. Please talk to a member of staff as they will require proof of set ups purchased elsewhere and have the right to refuse a sale.

All heated enclosures **must** be controlled by a thermostat; otherwise the animal's safety is at risk – This alone will mean an instant refusal of sale.

We offer a **48 hour guarantee** for **death** or **illness** on livestock

This excludes: All fish, invertebrates, amphibians chameleons and any highly specialized reptilians.

If the animal dies within this time frame we will require the body to be frozen and returned along with an qualified exotic vets necropsy report stating actual cause of death *(at your own expense)*.

Deceased fish must be returned with a sample of water from the tank.

We will not accept an animal back because you have changed your mind, these are living creatures, if you are unsure - **do not buy the animal!**

We cannot **100%** guarantee the sex of any livestock, even if labelled as a specific sex. If the animal turns out to be the wrong sex outside the guarantee we cannot accept any liability.

Refusal of Sale of animal(s):

- The sale of animals will be refused if the purchaser doesn't have / cannot prove they have correct set up in place.
- The employee doesn't feel the prospective purchaser will give the animal the correct level of care.
- The purchaser is inebriated/ intoxicated or otherwise not fully in control of their mental faculties.
- The purchaser is under 16 years old or Cannot prove their age.

Deposits

Minimum Deposit of 25% Secures via Cash / Debit, Credit Cards / Paypal / Bank Transfer

This will secure the animal(s) up to the pre-arranged payment plan end date.

ALL Deposits are **NON REFUNDABLE**

If you have any questions please don't hesitate to contact us directly
